**HIDDEN DEEP WITHIN THE BOTANICAL GARDEN OF MEISE LIES A
SECRET SPOT THAT ONLY COMES TO LIFE IN WINTER.
TUCKED BETWEEN THE LUSH GREENERY, THIS CHARMING
HIDEAWAY FEELS LIKE A QUIET ESCAPE FROM THE EVERYDAY.**

The second you step inside, it's like the outside world softens.
Tall windows let in lots of light, a beautiful garden stretches out in front of you,
this space just feels right.

It's welcoming, cosy, and easy to be in. Even in winter, there's a kind of glow here.
Candles flicker. The air somehow feels lighter. Natural textures and soft touches
make it feel like home, but nicer.

Come for a long lunch. Stay for that second glass of wine. Or just sit and let your
surroundings sink in. Every part of Rolph is built to make you feel present, not
rushed. It's the kind of place you don't really want to leave
and luckily, you don't have to.

ACTIVITIES

Rolph is the perfect setting for a variety of engaging and memorable activities. How about an adventurous discovery walk through the garden's winding paths, rubber boots on and torchlight in hand, as the evening comes alive with the gentle rustle of leaves and the distant call of nature? Or start your event with a relaxed apéro stroll, guiding your guests from the Orangerie into the endless greenery—setting the tone for an evening full of nature, connection, and great food.

With endless possibilities, we're all ears and love to collaborate on exciting events that spark our imagination.
